## NOTIFICATION

### FIRST COLLOQUIUM -Histology and embryology-

Dear Colleagues,

The first colloquium in the subject HISTOLOGY AND EMBRYOLOGY will be held next week (first week of the SECOND SEMESTER) from February 18<sup>th</sup> - February 21<sup>st</sup> 2025.

The colloquium will be held on the regular practical lessons from the subject Histology and embryology, on the Department of Histology and Embryology (every group will have the colloquium in the time of their practical lesson) and includes the study material from CYTOLOGY, GENERAL EMBRYOLOGY AND HISTOLOGY AND EMBRYOLOGY OF THE TISSUES.

Candidates who pass the colloquium (more than 50% of the points on the colloquium), will have their number of points won, entered in the number of points for the pre-examination activities, which counts in the formation of the final grade.

Candidates who do not pass the colloquium have no way to reimburse these points.

Head of the Department of Histology and Embryology
