**UNIVERSITY OF NIŠ  
FACULTY OF MEDICINE**

Pursuant to the Article 98 of the Law of Higher Education and Article 15 of the Rulebook of Student Admission to the study programs at the University of Niš,

ANNOUNCES THIS  
**CALL**

**FOR THE ADMISSION OF STUDENTS TO THE FIRST YEAR OF INTEGRATED  
ACADEMIC STUDIES OF MEDICINE IN THE ENGLISH LANGUAGE FOR THE SCHOOL  
YEAR 2024/2025**

The Faculty of Medicine University of Niš admits four (4) students to the first year of integrated academic studies of medicine in English language for the school year 2023/2024 in the status of self-financed student.

The candidates who have completed gymnasium, high school for medical professions, or high school for veterinary medicine in 4-year duration may apply for admission to the first year of integrated academic studies of medicine in English language.

The candidates responding to the call should submit the following documents:

1. Nostrificated (recognized) and translated secondary education diploma, or the written confirmation of diploma submission for nostrification, issued by the Ministry of Education, Science and Technological Development of the Republic of Serbia.
2. A passport photocopy.
3. A certificate of proficiency in English language or, if the candidates do not have one, they will have to take an exam in English language before the Commission appointed by the Dean of the Faculty.
4. Proof of payment of the admission exam fee (50 Euros in dinar counter value).

The candidates applying for admission to the first year of integrated academic studies of medicine will take an admission exam in biology and chemistry in English.

The candidate who has scored at least thirty-one (31) points on the admission exam and is ranked within the admission quota of this call has the right to be admitted.

The candidates' order for enrollment in the first year is determined based on the overall success from secondary education, paired with the results achieved in the entrance exam. An enrollment candidate for the study program can score a total of 100 points based on the overall success from secondary education and the entrance exam results.

The overall high school success signifies the sum of average marks in each high school grade multiplied by two. A candidate can thus obtain a minimum of 16 and a maximum of 40 points. A candidate can get 0 to 60 points in the actual entrance exam.

The proposed candidate ranking list is made by the Commission, appointed by the Dean (the President of which is the Vice Dean for Education) for the realization of this call.

The candidates may file a complaint against the proposed ranking-list in the period of 36 hours of its public announcement. The Dean then decides about the complaint and announces the final ranking list on the web page and notice board of the Faculty.

The admission of candidates will take place seven days after the announcement of the final ranking list. If a candidate who has gained the right to be admitted is not admitted till the end of the admission period, the Faculty will admit the next candidate from the final ranking list.

The tuition fee for one school year is 6000 Euros in dinar countervalue on the day of the payment, at the average exchange rate of the National Bank of Serbia.

**The applications for this call, with all the required documentation, are submitted from October 9, 2024, to October 15, 2024.**
